### With Appreciation . . .

On Wednesday, September 11<sup>th</sup>, the Ann Arbor Garden Club met at the Ann Arbor District Library Pittsfield Branch for a special presentation by Library Archivist Debbie Gallagher. Debbie showed the club how to access the Old News website where photos and articles about the Club dating back to its inception in 1929 are located. Club members are encouraged to visit the site and add any names or information they may have about archived photos. You may access the site by going to [oldnews.aadl.org](http://oldnews.aadl.org) and clicking on the Feature category.

In addition to the archive presentation, the club acknowledged the contributions by long time members of the club. Two white heirloom lilac bushes will be planted at Cobblestone Farm to honor the following individuals: Mary Ann Austin, Marie Cochrane, Ann Frey, Nancy Lee Hewens, George and Eathel Mendenhall, Glenda Perry, and Chris Rochman.

# Remembering Lois

On September 19<sup>th</sup>, a memorial service was held for Garden Club member Lois Foyle at First Presbyterian Church in Ann Arbor. Family & friends shared wonderful memories of Lois' sweet personality and adventurous spirit. Lois was a member of the Ann Arbor Garden Club since 1990. She will be greatly missed.
