Happy 90th Birthday to Us

The Ann Arbor Garden Club began in the summer of 1929 with only three members: Mrs. James Inglis, Mrs. Harry Earhard, and Mrs. Henry Carter Adams. We don't have a record of the first names of these talented ladies, but we are indebted to their legacy. Along with a few other garden clubs in the area, they helped to organize the Michigan Garden Clubs, federated in 1931.
