**Matthaei Botanical Gardens**

**1800 N. Dixboro**

**Potluck to follow in room 139**

**Hello All,**

**I hope you are having a productive summer of gardening! It was great to see so many of you at my home in May to celebrate the end of the garden club year with food and friendship. I am looking forward to a wonderful lineup of programs beginning in August at the home of Hsia-Lien Lin.**

**This June I had an opportunity to visit Cobblestone Farm and see the work of a group of master gardeners led by AAGC member Candie Sorensen. Candie sponsored one of our meetings last fall. This hard working group of volunteers continue to make Cobblestone a beautiful place to visit by maintaining the herb garden, the fountain garden and the grounds around the main structure where many weddings and public events are held. If you have an interest in joining this group throughout the summer, contact Candie.**

**All of our fall programs will be open to the public beginning with the AAGC Flower Show in September. Get ready to enter your best horticulture & designs. Guidelines have been provided. If you need more information, give me a call.**

**The Ann Arbor District Library recently received all of the archives from the Ann Arbor News including a wealth of information about the Ann Arbor Garden Club going all the way back to the 1930s. Check out some of those historic articles at the following links:**

**The success of our club is dependent on the involvement of our members and as you can see from our meeting schedule, our members are doing a lot. Looking forward to seeing everyone soon!**
