
ANN ARBOR GARDEN CLUB

WINTER 2015/2016

Garden Club News

The AAGC had many interesting programs to end 2015. Chris Rochman and Pat McLaughlin presented table decorations for the holidays, and Betty Bishop gave an informative talk on the gardens she viewed during her summer cruise to the British Isles. Drew Lathin also spoke about the importance of using native Michigan plants in landscape designs.

In 2016 it will be time to appoint a new President and Treasurer for the club. Please consider how you might serve in the coming year. There will be a Board Meeting at **6p.m.** on Wed., March 2nd, & Wed., April 6th, to review nominations and the future of the AAGC. The Board Meetings will also take place at Matthaei in Room 125. Email Pat McLaughlin at tricialin@hotmail.com if you are interested in running for office or would like to submit a nomination.

Greens Workshop A Great Success

Thanks to Denise Looker, the AAGC held its most successful Greens Workshop to date. The December event was well attended with many beautiful decorations for the holidays created. Thank you to Susan Beecher for donating a tree from her property, to Nancy Hart for ordering the specialty greens, to Robert Carter for cutting wire and to all who brought holiday refreshments. Denise did a wonderful job of organizing the event, inviting many friends to attend, and presenting the demonstration.

HAPPY HOLIDAYS TO ALL!
